

Highlights of Projects Undertaken

The Following projects are a mere select samples from our database of projects that present the nature and environment of our work

Larsen & Toubro (Oman) LLC

- Al Sharqiyah Expressway Section-2 Part-1(IBRA - Al KAMIL)
- Construction of Infrastructure Facilities for Sumail Industrial Estate
- Development of Salalah International Airport
- AD' Dakhliya Water Transmission PH-2

Activities : Topographical Survey including Drawings Preparation, OGL, Setting-out, Traversing, Establish Survey Control Points with RTK/STATIC Method, Survey Work for CABG Layers. Supply of Professional Land Surveyor with Survey Equipments on Monthly Basis.

Al Ansari Trading Enterprise LLC

- Boushar Waste Water Network Project (B3B) at Al Khuwair
- Construction of Building at Hazam
- Construction of Building at Sohar Port
- Duqm Refinery Project (EPC-01 & EPC-03)
- Design & Built Sablah 250 TSE Tank at RAHDP (Qurum)
- Cruid Oil Project at Ras Markaz
- RUB Al Khail RO Plant Project

Activities : Topographical Survey including drawings Preparation, Establish Survey Control Points with RTK Method, As Built Survey with drawing preparation. Supply of Professional Land Surveyor with Survey Equipments on Monthly / Daily Basis. Supply of Professional Land Surveyor without Survey Equipments on Monthly.

Arkan Majan International LLC

- GSS Project at IBRI
- GSS Project at Sohar Port
- PDO Project - Mabrook (Phase-3)
- PDO Project - Salalah

Activities : Setting out for Buildings, Pipe line Survey
Supply of Professional Land Surveyor with Survey Equipments on Monthly Basis.

Douglas OHI LLC

- Liwa Plastic Project C-0316 at Sohar Port
- Liwa Plastic Project C-0317 at Sohar Port
- Duqm Refinery Project (EPC-01)

Activities : Traversing, Pipe line Survey
Supply of Professional Land Surveyor with Survey Equipments on Monthly Basis.

Highlights of Projects Undertaken

Towell Engineering Services Co. (TESCO)

- Duqm Refinery Project (EPC-01)
- Duqm Refinery Project (EPC-02)
- Bunker Terminal Oman Oil Project at Duqm
- CMEI Works for MMPS MARMUL Gas Compression Project at MARMUL
- Supply of EOT Crane - HI Tech (334-06) at Salalah - Dhofar

Activities : Supply of Professional Land Surveyors with Survey Equipments on Monthly / Daily Basis.
As-Built Survey & Drawing Preparation.

Towell Infrastructure Projects Co. (TIPCO)

- Construction of water Distribution Networks Project at Manah

Activities : Topographical Survey work, taken OGL, Establish Survey Control Points
& Drawing Preparation (400km).

Towell Construction Co. (TCC)

- Duqm Refinery Project (EPC-02)
- OAHMI Project at Ghala

Activities : Supply of Professional Land Surveyors with Survey Equipment on Monthly Basis.
Topographical Survey Work, Establish Survey Control Points & Drawing Preparation.

تاول للإنشاء
TOWELL Construction

Averda Waste Management LLC (Oman)

- Landfill Project at Hakbeet (Dhofar Region)
- Landfill Project at Izz / Manah (AD'Dakhiliyah Region)

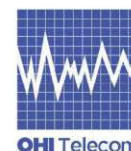

Activities : Topographical Survey work (Quarterly), Quantity calculation by using
Civil3d software & Drawing Preparation.

As-built Survey & Topographical Survey including Drawing Preparation.

Energy Professional Co. LLC

- PDO Project at Qarnalam

Activities : Supply of Professional Land Surveyors with Survey Equipments on Monthly Basis.

Highlights of Projects Undertaken

Al Rafaa Trading & Contracting Co. LLC

- PAEW Project at Sur
- PAEW Project at Sinaw
- 11F Construction of integrated Inspection Facility at Sohar Port

Activities : Supply of Professional Land Surveyors with Survey Equipments on Monthly / Daily Basis.
As-built Survey & Drawing Preparation, Establish Survey Control Points, Survey work @visit Basis.

Arabian Industries Projects LLC

- PDO Project (Mabrouk, Lekhweir, Qarnalam, Yibal Khuff)
- GSS Project at Sohar Port
- OQ Project at Bisat

Activities : Setting-out of Pipe line & Provide Survey Equipments on Monthly Basis.
Supply Professional Land Surveyor with Survey Equipments on Monthly Basis.

Larsen & Toubro Electromech LLC

- North East Development Project at Mabrouk (PDO)
- Raba & Hanya Project (PDO)

Activities : Supply of Professional Land Surveyors with Survey Equipments on Monthly Basis.
Topographical Survey work & Drawing preparation.

Al-Emtiaz Al-Ahlia Co. SAOC

- Development of internal Roads Project at Haima
- Development of internal Roads Project at Mahout

Activities : Supply of Professional Land Surveyors with Survey Equipments on Monthly Basis.
Topographical Survey work, taken OGL, Establish Survey Control Points & Drawing Preparation.

CCS Comservice (Oman branch)

- Manah-2 Solar independent Power Project at Manah
- Manah-1 Solar Power station 33 Block Piles Project at Manah

Activities : Supply of Professional Land Surveyor with Survey Equipments on Monthly Basis.
Topographical Survey work, taken OGL & Drawing Preparation.

Bhawan Projects & Telecom LLC

- Ooredoo Networks Projects (Sultanate of Oman)

Activities : We worked at miscellaneous Projects in all over the sultanate of Oman since year-2020.
Route marking Survey & As-Built Survey including Drawing Preparation.

Highlights of Projects Undertaken

Orbital Projects & Services LLC

- Route Alignment for Electrical Services at Fahud, Yibal, Lakhweir in PDO
- Development of Oman Oil Camp at Abu Tabul PDO
- PDO – Gas Plant at Daleel
- Construction of Waste Management Area (BP KHAZZAN)
- Waste Water Network Project at Maballa

Activities : Route Survey for Cable & Pipe line, Setting-out of Buildings & Gas Plants,
As Built Survey, Establish Survey Control Points with RTK Method.
Supply of Professional Land Surveyor with Survey Equipments on Monthly Basis.

Al Watanyiah United Engineering & Contracting Co. LLC

- A'seeb Wastewater Project Extension to Existing Network Package-II

Activities : Setting-out, OGL Taken, House Connection Survey.
Supply of Professional Land Surveyor with Survey Equipments on Monthly Basis.

Keller Ground Engineering LLC

- Construction of ware house at Salalah Port
- Construction of ware house at Sohar Port
- Construction of Ministry of Education Building at Musannah

Activities : Setting-out of Piling Points & Levelling.
Supply of Professional Land Surveyors with Survey Equipments on Monthly Basis.
